

# Playing Soccer

Oh-NO the game is already started

I know I can play soccer because I

practised for 7 days a week. My dad

tells me go win for your team. The guys

on my team are me, Jack, Jun and Brandon

Jun scores the first goal. Then I score

a triple goal. A triple goal is when

you score it three times in a row

my dad shouted go Arons team.

Then Jack scored our fifth goal it is

5-0. Daniel tries to score but misses

Brandon caught it ball. Brandon scores our

sixth goal it is 6-0 still they haven't

scored one goal. My Dad keeps on cheering saying go Aaron's team. Then I score our seventh goal. I say to Jack Daniels team is totely loseing. Then Jun scores our 8<sup>th</sup> goal. Now here comes Jack and he scores GOAL!!! Here comes one of<sup>t</sup> the good guys I think I can take him I kick and I score 10-0 it was our last goal we won the game. I can't BLIEVE they had not scored not even one goal. Now it was time to go I

said good-bye to everyone.  
This was such a awesome day when  
I scored a triple goal I will  
never forget this day.
