By Aaron

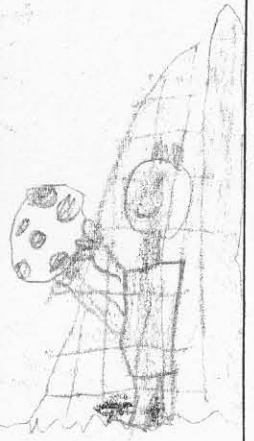

OH-NO the game has already started I know I can play soccer because I practised 7 days a week. My dad tells me go win for your team. The guys on my team were me, Jack, Jun and Brandon. Jun scored the first goal. Then I scored a triple goal. A

triple goal is when you score three times in a row. My dad shouted "Go Aaron's team!" Then Jack scored our fifth goal it was 5-0. Daniel tried to score but missed Brandon caught the ball, Brandon scored our sixth goal. It was 6-0. Still they havent scored one goal. My

dad keeps on cheering saying,
Go Aaron's team. Then I scored
our seventh goal. I say to Jack,
Daniel's team is totally losing.
Then Jun scored our 8th goal. Now
here came Jack and he scored
a GOAL!!! Here comes one of
the good guys I think I can

take him I kick the ball and I

score 10-0. It was our last

goal. We won the game. I

could't BELIEVE they had not

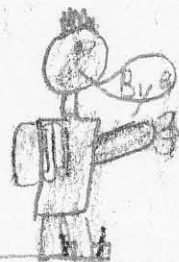

scored, not even one goal. Now

it was time to go home I said

good bye to everyone. This was

such a awesome day. I scored a
