When I went to a wedding

I went to my first wedding. I was a flower girl I was wearing a pretty white dress. I was shy of the people. I don't know

them I was shy of them again.

Then I saw a horse. I said

I want to ride the horse but

the horse was gone I was

crying. My mom said later after

you drink water she said And

then they came back. The man

said are you the flower girl

I said yes and he let me

ride the horse I was happy.

The horse was big it was cute

~~I pet the horse. When it~~
 was ~~over~~ we went and sat ^{where the chairs were,}
 down. ^{when the man told us to go} then me and the

as I
 walked
 I reached
 in the

flower girls walk down the aisle,
~~basket and poled out some petals and throw them~~
 I put my head down when

~~I was walking. I was shy.~~
 Then we sat
 down in the front row on the chairs.
~~down a butterfly fly~~

~~on my head I was shy~~

again because people were
 looking at me. When the

butterfly flew around me. I
 was shy with the butterfly on my head.
 When I went home I

~~I thought~~
~~said~~ it was my first wedding

And this is a first-time I
~~had been a flower girl.~~

~~And this is a first time~~
~~I rode a big horse! And~~
~~I said I will never forget~~
~~when I went to a wedding!~~

And when my baby sister is
a flower girl she will be like
me! and I will be happy for
her!
