When I went to Safeway
I looked everywhere for my mom
and my sister. They were gone
so I cried alot. Then a strange
guy looked at me and I ran fast
because I thought the strange
guy will catch me. Next I looked
everywhere again, but my heart was

bumping! Then I saw my mom and my sister
so I said "I found you! Then I was
still scared of the strange man so I
went behind my mom. I didn't see back
and maybe he will follow me. Next
we went to the car and my mom
drove the car. Then we went home. I
didn't tell my dad or my friends. I never
ever got lost again!
