Every Child a Reader and Writer*

UNIT DESIGN

Taking a Teacher Researcher Stance I Learned My Teaching Will Be Strengthened If I . . .

- Create note taking that is manageable and useful to reread and use
- Stagger collection of writing notebooks
- Eyeball work while reading the room and during conferences
- Create assessments for students to be self reflective
- Manage teaching for individuals, small groups, and whole group
- Design meaningful homework specific to individual needs
- Plan for various kinds of shares at the end of writing workshop to hear students share their learning as writers
- Other learnings?
